

THIS TERM	LEADERSHIP	ORGANISATION	RESILIENCE	INITIATIVE	COMMUNICATION
Key Stage 4	Students to undertake a project and lead on the ideas and the content of the activities.	<p>Focus on presentation of their work and their book.</p> <p>Students are responsible for their own books to allow for self-study.</p>	Students can review exam board questions after feedback and can review using the mark schemes and the examiner reports.	Extra work is offered and students can submit this for marking.	Students can share opinion and ideas within the classroom and encourage public speaking when undertaking the project.
Key Stage 5	Students to support each other and share good practice within their exam and coursework units.	Through highlighting lessons on their timetable to organise when they are focussed on particular units.	Use of key writing skills to work through the units to complete all the work by the assessment deadlines.	Allow the students to process to the M and D tasks of the units using their own initiative.	Verbal communication is used every lesson and students can clearly communicate with email and Teams.
