

Curriculum Overview

Subject: English Literature & Language

Year Group: 11

In Year 11 pupils will refine their knowledge of poetry and poetic devices with the exploration of the anthology poems in the 'Power and Conflict' collection, featuring poems from Owen, Agard, Duffy, Wordsworth etc. They will build on previous years' knowledge of comparison skills, drawing meaningful connections between the poems. Having developed these skills, pupils will move on to learning how to analyse unseen poems using a toolkit of analytical methods built up over the course of the previous years.

For the rest of Year 11 pupils will be revising both English Language and Literature interleaved in preparation for mock exams and GCSE exams.
