Dear Parents and Carers

Re: Key Stage 3 Raising Achievement Evening – Thursday 30 April 2026

We are pleased to invite you to our interactive KS3 Raising Achievement Evening, which will take place on Thursday 30 April 2026 from 16:30 to 19:00.

This engaging event is designed to support both pupils and families in preparing for the upcoming KS3 assessment week, while providing practical strategies and opportunities to actively explore how to work in partnership with the school to maximise progress for your child.

During the evening, you will have the opportunity to:

- Receive key information about the upcoming KS3 assessment week
- Take part in practical revision strategies that can be used at home
- Attend an interactive “Science of Learning” workshop for parents and carers
- Gain insight into our approach to behaviour and school culture
- Access guidance on supporting young people with SEND, including the opportunity to speak with members of the SEND team
- Attend progress meetings for identified pupils
- Visit our marketplace, where all subject areas will be represented and teachers will be available for informal discussions
- Speak with your child’s pastoral team

On arrival, you will be provided with a schedule of workshop and talk running times, along with guidance on where to find key staff and activities throughout the evening.

We strongly encourage you to attend this interactive event, as it offers a valuable opportunity to work in partnership with the school and gain hands-on strategies to support your child’s success.

If you have any questions, please do not hesitate to contact us.

We look forward to welcoming you.

Kind regards

Ms M Sully

Assistant Headteacher – Raising Standards
