Dear Parents and Carers

Re: Friday 13 June 2025 – Remote learning day

I hope this letter finds you well.

I am writing to inform you that more than 700 Year 5 pupils will be visiting Chase High School on Friday 13 June 2025 for a unique opportunity to immerse themselves in secondary school life. This visit will allow them to partake in lessons and learning experiences that they may not have encountered before.

Due to the large number of Year 5 pupils on the site that day, we have designated it as a remote learning day for our current Chase High pupils. Our teachers will be providing high-quality work on Satchel One for your child access from home. This day can also serve as an opportunity for your child to catch up on any pending assignments or tasks.

We encourage all students to ensure they have access to Satchel One for the assigned work. Any technical difficulties can be addressed by speaking to their respective Head of Year. Parents and carers are encouraged to log in to Satchel One at any time to monitor the progress of the assigned tasks. If you require a login, please do not hesitate to contact the year team for assistance.

All pupils in Year 7-10 and year 12 are expected to return to the school premises on Monday 16 June 2025 at 8.25.

Pupils in Year 11 & P16 will receive a separate communication from the year team advising of arrangements for this GCSE/A Level exam day.

Thank you for your understand and cooperation in this matter. Your support is greatly appreciated in ensuring a smooth and productive learning experience for all pupils.

Yours faithfully

Mr M Suttanwood
Headteacher
