CHASE HIGH SCHOOL
AMBITION - RESILIENCE - KINDNESS

Ofsted 2026

“[Pupils] know that if they have any worries, they can share them. Staff take prompt, effective action to address issues, including any bullying, so pupils feel and are safe.”

“Leaders have established a safe, positive environment for pupils. They have raised expectations of how well all pupils, including those who are disadvantaged, can do.”

Ofsted 2026

“The culture of behaviour at Chase High School is positive. Pupils understand how they should conduct themselves.”

“The school teaches pupils about the value of kindness, and the importance of equality and diversity. Because of this, incidents of bullying, sexist and discriminatory behaviour are now rare. Any issues are robustly tackled so they stop. Pupils treat others well... pupils look out for each other.”

September 2026

New year 7 Pupils, you do not need to arrive as the finished article. You simply need to arrive ready to learn, ready to get involved and ready to embrace the opportunities that will come your way.

Our staff will support you, challenge you and believe in you every step of the way.

For parents and carers, our promise is that we will work in partnership with you. We will celebrate successes together, tackle challenges together and ensure that your child receives the very best education and care we can provide.
