Aspiration, Character & Excellence

Headteacher: Mr S McLaughlin

Headteacher's Comment:

Last Friday Year 11 received the results from their Year 10 summer PPEs. We replicated how this would look and feel when they receive their final GCSE results in the summer of 2024. They were excellent and we had a real sense that they understand what needs to be done over the course of Year 11 to ensure they achieve the best possible grades in their final exams. Miss O'Neill, Mr Sturge and Mr Gridley guided them through all the support and incentives we offer students to ensure their success. Students understand that with hard work and commitment they will succeed. We wish them the best of luck for the year ahead.

It has been a very busy week for Chase High with lots of activities to support our students' learning as detailed below. Thank you to all the staff concerned in leading these and many other activities over the week – we really do go the extra mile for our students.

Road Safety:

On Wednesday, Year 7 had an assembly on road safety with Essex Highways. Students watched a play in regards to road safety and then discussed the scenario with the actors to further understand how to be safe on the roads. They thoroughly enjoyed the show and engaged really well with the actors. We are really proud with how well behaved they were. Keep up the good work!

Year 10 Guest Speaker:

This week, as part of the 'Speakers for Schools' programme, we welcomed David Lowe to speak with our students. David is the composer of the music for a wide range of TV shows such as BBC News, The One Show and Grand Designs. He explained to the students the process of making the introduction music for the BBC News and how he became successful in his career as a musician in the TV and media industry. We are very grateful for his time and we look forward to welcoming him to Chase High again next year.

Word of the Week

The word of the week from Monday 18 September 2023 is **Annotate**. Pupils will explore this word during tutor time.

Annotate

To add notes to a text or diagram giving an explanation or comment.
