

# NEWS & VIEWS

Aspiration, Character &amp; Excellence

Headteacher: Mr M Suttwood

## Headteacher's Comment:

We have reached the end of a very busy half term and had a great start to the academic year. This week we have been celebrating students' successes in our Celebration Assemblies. Pupils have been proudly receiving subject awards for 'Pupil of the half term,' as well as awards for attendance and house points.

On Wednesday, we had the amazing news that six of our students, who competed in the final of the Lee Valley Indoor Athletics Cup, set four indoor school records between them and finished tied in second place with St Martin's School. The boys were only beaten by National Champions, Dartford Grammar School, so it really was an excellent performance. Well done to all our pupils for their hard work and commitment this half term and I wish you all a well and deserved autumn break.

## Antibullying Ambassadors:

Our newly recruited Antibullying Ambassadors will be available to talk to students at break and lunch time, both in the cafeteria and outside in key areas. They will have a poster up to show where they will be sitting and have badges to help other students identify them.

## BHM Assembly:

As part of Black History Month, Mr Keshiro took a group of students to Lancaster School to present an assembly celebrating culture and black heritage. The staff and pupils at Lancaster were really impressed with their presentation and commended them for their courage and positivity.

## LRB Bowling:

Our LRB pupils have been putting their bowling skills to the test in an SEND bowling competition playing against 13 schools. They did a great job representing the school and all worked well together, cheering on their friends. Six of our students got over hundred points and all received a certificate for their achievement. Well done!

## This week's house point totals:

7311

9728

7096

7786

## Dates for your Diary:

23.10.23 – 27.10.23 Half Term
