Aspiration, Character & Excellence

Headteacher: Mr S McLaughlin

Headteacher's Comment:

I have been very impressed by the way our students have returned for the new academic year. Uniform standards have generally been very good and students have shown a positive attitude to their learning, despite the fact we are dealing with some very hot conditions. As mentioned in my video, I have really high expectations of all learners at Chase and I am pleased with the start we have made. Long may this continue.

As someone new to the school, I have been made to feel very welcome and I am really enjoying getting to know students and staff alike. My initial thoughts about Chase High have been confirmed – this is an amazing school community to work with. I am very excited about my time at the school and ensuring the momentum and progress achieved under Mr Foster's leadership continues.

I would like to take this opportunity to welcome all our new staff members – you've joined a great school and you will have a very rewarding time working here.

In case you missed it, here is a short introductory video from me:

House System:

There are some very exciting changes happening to the house system this year, with hopes to make pupils feel that they are part of the Chase High community. Four new house shields have been designed and created, ready to be proudly displayed around the school, reminding pupils to always be the best that they can be. As well as this, we are also elevating the rewards system, offering more opportunities for pupils to be rewarded for their hard work, behaviour and attendance.

Satchel One:

Satchel One is a simple online solution for pupils and parents to view homework and upcoming deadlines, pupil timetables, awards and detentions. Every pupil has a log-in for Satchel One and we encourage all parents to create a parent log-in account. Have you got the Satchel App? Just click on the following link to bring you to the Satchel Welcome Centre to help you get set up.
