7 September 2026

Dear Parent/Carers

Re: Raising Achievement Evening Year 11 – Thursday 10 September 2026

We are delighted to invite you to our upcoming **Raising Achievement Evening on Thursday 10 September from 16.00-19.00**. This important event is designed to support both you and your child in preparing for the year ahead, ensuring they are fully equipped to achieve their best possible outcomes next Summer.

The evening will include:

- **Welcome and overview** from myself and the Year 11 Team, outlining key priorities and how we will work together to support every pupil.
- **Key dates** for the upcoming academic year, including pre public examinations, revision sessions, and key school events.
- **Advice on supporting your child at home**, including what effective revision looks like, how to structure study time, and what signs to look for to ensure your child is staying on track.
- Guidance on using revision lists, subject-specific resources, and independent study tools effectively.
- An opportunity to meet with your child's classroom teachers, our SEND team, more able coordinator and year team to discuss personalised feedback on their current progress, specific next steps for improvement and to answer any questions that you may have.

We strongly encourage both parents/carers and pupils to attend together, as the information shared will help set clear expectations and provide strategies that make a real difference in the run-up to assessments and exams.

We believe that strong partnerships between home and school are vital for pupil success, and your engagement plays a crucial role in helping your child reach their full potential. Thank you for your continued support, and we look forward to welcoming you on the evening.

Yours faithfully,

Ms M Sully
Assistant Headteacher – Raising Standards
