Dear Parents and Carers,

## **RE: Year 11 Arrangements from Thursday 21 May 2026**

As we move further into the GCSE examination period, I would like to thank you for your continued support of our Year 11 pupils. Their conduct, resilience, and commitment throughout the exam season have been excellent.

I am writing to confirm the arrangements for students from Thursday May 21 onwards.

### **Thursday May 21**

On Thursday May 21, all pupils will sit their English examination in the morning. Following the examination, pupils will have a short break before attending their normal Period 3 lesson. During this time, all pupils will download their educational records, which will allow their GCSE examination results to be sent directly to them on Results Day. After this session, pupils will be permitted to sign out if they wish to go home to study rather than remain on site.

### **Attendance Arrangements from May 21**

The normal Year 11 timetable will end, and pupils will only be required to attend school when they have a scheduled examination if they prefer to study at home.

Pupils should sign in and out at the London Building entrance.

When pupils are attending school for an examination:

- Morning exams: pupils should arrive by 8:00am.
- Afternoon exams: pupils should arrive by 12:30pm.
- Pupils should attend in full school uniform.
- Once an examination has finished, pupils may leave the school site.

### **Revision Sessions and Study Spaces**

A programme of optional revision sessions has been scheduled to replace the normal timetable (see below).

We strongly encourage pupils to make full use of these opportunities as they prepare for their remaining examinations.

If a revision session is not relevant to the whole cohort, the London Building canteen will remain open as a supervised study space for pupils who wish to revise in school.

Again, students should sign in and out through the London Building Entrance.

**DISCOVERY**  
EDUCATIONAL TRUST

Chief Executive Officer: Mr R Duff

Chase High School is proud to be part of the Discovery Educational Trust

**Expectations**

We would appreciate your continued support in ensuring that pupils:

- Attend all examinations punctually.
- Bring the correct equipment each day.
- Maintain positive routines, including adequate sleep and regular revision.
- Continue to represent the school positively both on and off site.

If you would prefer your child to remain in school during normal school hours for the remainder of the examination period, please contact Mr Baxter or Miss Westover so that we can ensure appropriate follow-up if they are absent.

**Results Day**

Further details regarding GCSE Results Day in August will be shared with families later this term.

Thank you again for your ongoing support during this important time. We are very proud of the maturity and determination shown by Year 11 and look forward to celebrating their achievements.

Kind regards

Ms M Sully
