Aspiration, Character & Excellence

ACADEMY IMPROVEMENT PLAN

2020 – 2021

'Raising the Bar'

1. CHASE HIGH SCHOOL CORE VALUES AND SHARED VISION

Chase High's Core Values: Be Aspirational, Build Character, Pursue Excellence

- **Aspirations** - Ensure high aspirations for all pupils to be lifelong learners in a stimulating and secure environment so that pupils are fully prepared for a highly successful life.
- **Character** - Develop the strength and depth of character to instil the resilience, confidence and independence to overcome new challenges and be a positive member of the community.
- **Excellence** - For all pupils to pursue academic and personal excellence and achieve outstanding outcomes.

Chase High's Shared Vision:

Our vision is to fully prepare every pupil to live highly successful adult lives by:

- Providing the skills, attributes and aspirations necessary to instil a love of lifelong learning and the pursuit of academic excellence;
- Delivering a challenging and enriching curriculum that ensures outstanding outcomes across a breadth of experiences;
- Building the strength and depth of character that combines a strong moral purpose with excellent social skills;
- Ensuring our pupils become adults that can go on and make a real difference locally, nationally and globally.

3. STRATEGIC GOALS FOR 2020 - 2024

Our Three-Year Strategic Goals: To realise our shared vision, Chase High School will achieve the following strategic goals within the next three years resulting in *good within 18 months and outstanding* in three years as judged by Ofsted:

1. **Quality of Education:**

- **Intent – To provide a high quality, creative and ambitious curriculum offer:** At Chase High leaders have a clear and ambitious vision for providing high quality education to all pupils. Our vision and values provide the basis for constructing a curriculum that is ambitious and designed to give all pupils, especially disadvantaged, the knowledge, skills and cultural capital necessary to both succeed in life and also lay the foundation for a love of lifelong learning.
- **Implement - To provide the highest quality teaching and learning:** The ambitious and appropriately challenging curriculum will be taught by outstanding and highly qualified teachers. The school will provide a comprehensive and bespoke CPD programme to help staff develop their subject and pedagogical knowledge. Our rigorous processes for monitoring teaching and learning will enable us to identify our strengths so that best practice can be disseminated.
- **Impact - To become a high-performing school:** Chase High aims to fully prepare our pupils to lead highly successful adult lives. A key component of this will be to ensure that they achieve excellent qualifications. Pupils will show progress that is well above national averages in public examinations with a trajectory of year-on-year improvement over the next three years. There will be no discernible gap in the outcomes for any groups within the school. The enriched curriculum will also ensure outstanding outcomes across a breath of experiences in addition to academic excellence.

2. **behaviour and Attitudes – To ensure outstanding attitudes to learning:** Our high expectations will result in outstanding pupil behaviour and conduct. Leaders will create a positive environment where all members of the school's community are treated with respect, tolerance and understanding. Our pupils will demonstrate a positive attitude to their learning, showing resilience and the ability to learn independently knowing how to study effectively. strength and depth of character that combines a strong moral purpose with excellent social skills Pupil attendance will be high and pupils will come to school ready and eager to learn.

3. **Personal Development: To provide outstanding personal development:** The ambitious and appropriately challenging curriculum underpins our pursuit of excellence in a secure environment where all members of the school's community are treated with respect, tolerance and understanding. As such, we will nurture, develop and stretch pupils' talents and interest. The school's work to enhance pupils' spiritual, moral, social and cultural development will be of a high quality. The curriculum will support pupils to be confident, resilient, independent and to develop strength and depth of character that combines a strong moral purpose with excellent social skills. Our curriculum will help prepare our pupils for life in modern British society by developing their understanding of British values and promoting tolerance, diversity and equality of opportunities. Our pupils become adults that can go on and make a real difference locally, nationally and globally. Chase High will provide outstanding support and guidance to ensure that we unlock the potential in all pupils and secure success for all, irrespective of their starting point or personal circumstances.

4. **Leadership and Management: To demonstrate outstanding leadership:** Leaders will show a clear and ambitious vision for providing high quality education to all pupils. Leaders will focus on improving teachers' subject knowledge and pedagogy in order to enhance the teaching of the curriculum. Leaders will, at all levels in the organisation, provide the challenge and support necessary to achieve outstanding pupil outcomes with clear lines of accountability and rigorous monitoring and evaluation underpinned by high expectations and aspirations. There will also be a concerted focus on developing the knowledge and skills of middle leaders so that they can drive the improvement agenda within their areas. There will be an expectation that all middle leaders will develop excellent self-evaluation skills and the ability to hold others to account for pupil outcomes. Through our leadership development we will ensure clarity of expectations and an unswerving focus on providing a high quality of education for our community.

4. ACADEMY PRIORITIES, KPI & MILESTONES SUMMARY 2020/2021

Plus, student surveys show an improved love of reading from the autumn term baseline survey |

5. ACADEMY IMPROVEMENT PLAN 2020/2021

Priority 1 – Curriculum: Chase High will ensure that the curriculum is ambitious and designed to give all pupils, especially disadvantaged, the knowledge, skills and cultural capital necessary to succeed in life.

Strategic Lead: Deputy Headteacher – Andy Hawes

Monitoring and evaluation report date to LGB: 17th March 2020 and 16th June 2021

KPIs

Steps to achieve KPIs:

1. Curriculum Review (Intent): As the result of a more ambitious curriculum offer in KS4, the percentage of pupils taking the EBacc is at least 30% for Yr10 in September 2021. There will be a further increase in uptake for 2022

- November 2020 – curriculum review complete and a communication strategy agreed
- April 2021 – revised options process and corresponding guidance and support complete
- September 2021 – new KS4 curriculum introduced

Actions

Resource Implications

Success criteria & Impact

Evidence Base

1.1 KS4 curriculum review: Conduct a review of the curriculum at KS4 to ensure that it is sufficiently ambitious to provide pupils with the qualifications necessary for them to succeed in adult life (this would include ensuring they do at least 8 GCSEs):

- Review of vision and values that underpin the curriculum
- Identify how Chase High can ensure an ambitious KS4 curriculum
- Introduce the necessary changes for the Yr9 options process
- Review of staffing and implement necessary changes for Sept 21

- Time
- £2000 learning resources

- October – Review launched
- Nov – Review completed; changes to curriculum identified
- Dec – staffing changes identified
- Jan – revised options and guidance process launched
- March – Options process with clear guidance process
- April – uptake from Yr9 shows that KPI have been achieved
- Sept – new KS4 curriculum introduced

- Review documentation
- Options info & process
- Uptake of GCSEs

1.2 Curriculum Leadership: To ensure the curriculum is clearly planned and sequenced towards cumulatively secure knowledge and skills and that leaders at all levels have a clear understanding of the curriculum offer – in terms of intent, core knowledge, sequencing, cultural capital, recall, etc. There will be clear alignment between each department's curriculum intent and overall school curriculum offer.

- Time

- Oct to Dec - SLT to review ML curriculum knowledge and understanding. Support will be provided as necessary and the curriculum will be amended as appropriate
- Dec: There will be clear alignment between each department's curriculum intent and overall school curriculum offer.
- HoD can articulate the purpose of their curriculum in terms of the desired end point for pupils; core knowledge and key skills; the reason why topics are sequenced in a certain way and how assessment system test if pupils are building knowledge over time.
- There is clear evidence of schemes of work and curriculum overviews for all subjects that support the above.

- Feedback to LGB from SLT on curriculum review
- SoW and curriculum overviews

Priority 2 – High quality teaching and learning: Chase High will ensure that all teaching is at least meeting the expectations of good as the result of ‘Raising the Bar’ in terms of staff knowledge, pedagogy and the expectations of pupils’ learning.
