## Summer 2020

### Results and Appeals process

## August 2020

*This is a temporary procedure document for use during the summer 2020 exams season only.*

## **Information for Centre**

### **Results and Appeals**

#### **Centre assessment grades and rank orders**

Chase High School :

- will not divulge provisional (centre assessment) grades, nor rank orders, with candidates or parents/carers before the issue of results
- understands that any inappropriate disclosure of centre assessment grades and rank order information before the issue of results will be investigated by awarding bodies as potential malpractice
- students will be issued with their centre assessed grades on request after the release of the results.
- Students who wish to know their ranking will be issued with a SAR form and the application will be referred to the data protection officer for consideration.

#### **Final grades**

Chase High School will:

- issue results in accordance with the centre's *Information for Candidates - Results, Appeals and Certificates* document (detailed on pages 4-5)
- signpost candidates (and parents/carers) to information provided by key stakeholders at the time final grades are issued to support their understanding of the grades awarded

#### **Arrangements for results day(s)**

Chase High School will:

- organise results day(s) and inform candidates of the arrangements in place for the collection of/access to their results
- ensure senior members of centre staff are available/accessible to candidates with whom a result/results may be discussed
- prepare information for candidates showing their options if they have concerns about their results
- signpost candidates to relevant Ofqual and/or awarding body information that sets out how their grades were calculated this year and the options available if they believe their result was not properly produced, including access to appeal

#### **Arrangements for appeals**

Chase High School will:

- follow information provided by awarding bodies to determine the grounds on which an appeal can be made on behalf of a candidate, or candidates
- make candidates aware of the arrangements in place for appeals prior to the issue of results by issuing a letter with the examination results
- provide candidates with a statement of the arrangements promptly when requested
- seek any information the awarding body holds in relation to how final grades were calculated if there is a concern about any results

- submit an appeal to the awarding body on behalf of a candidate or candidates where it is believed:
  - the centre itself made an error when submitting centre assessment grade or rank order information to the awarding body and has supporting evidence that confirms an error was made (and will submit its supporting evidence at the earliest stage and explain why data which the Head of Centre declared to be accurate is now considered incorrect)
  - the awarding body made a mistake in the operation of the standardisation model where the wrong data was used to calculate results
  - the awarding body made an administrative error in the issuing of results
- collect consent from a candidate before any appeal is submitted to the awarding body.

### **Internal appeals procedure**

Chase High School will provide a process for a candidate to appeal against any decision the centre may make:

- not to seek from the awarding body any information the awarding body holds that would be needed for an appeal; and/or
- not to appeal to the awarding body

### **How centre assessment grades and rank orders were determined**

To respond to any queries, challenges or internal appeals from a candidate (or their parent/carer) Chase High School will provide records detailing:

- the process deployed for each subject in calculating centre assessment grades and ranking of all candidates within each grade (or within the cohort where this was required by a particular qualification type)
- the support given to any newly qualified teachers in grading and ranking students
- a summary of the evidence and data used to make objective and professional judgements
- the standardisation process where a cohort was taught across several teachers in a subject area
- how any conflicts of interest were managed
- the review and check for accuracy undertaken as part of the internal sign-off process for each subject
- confirmation of the process for head of centre sign-off and submission of the declaration to awarding bodies
- any errors reported by an awarding body after the submission of information and details of how these were resolved]

## Information for Candidates

### Results, Appeals and Certificates

#### Centre assessment grades and rank orders

Chase High School has submitted provisional (centre assessment) grades and rank orders to the relevant awarding body in accordance with the Ofqual guidance<sup>1</sup> on *Awarding qualifications in summer 2020* and in line with the awarding body instructions.

<sup>1</sup> <https://www.gov.uk/government/publications/awarding-qualifications-in-summer-2020>

For the reason of fairness, awarding bodies are putting these grades through a standardisation process to ensure grading standards are consistent across all centres. The rank order of candidates will not be changed but the final grades candidates receive may be different to the centre assessment grade.

#### Final grades

On candidate statements of results (results slips) and certificates, final grades will be reported in the same way as in previous years.

Final grades will be issued on results day(s) in August as follows:

Date	Qualification type
13/08/2020	GCE (AS, A Levels) and other Level 3 qualifications
20/08/2020	GCSE and other Level 1/2 qualifications

#### Arrangements for results day(s)

Arrangements for results day have already been communicated to students and the details can be found on the school website:

#### Concerns about your results

At results time, Ofqual will be providing information for students that sets out how their grades were calculated this year and the options available if they believe their result was not properly produced, including access to appeal. The *National Careers Service Exam Results Helpline*<sup>2</sup> offers advice each year for students who have not received the results they had hoped for. Ofqual will also make a helpline available to students and their parents or carers to talk about the appeals process and any other questions they may have about their results this summer.

<sup>2</sup> <https://www.gov.uk/careers-helpline-for-teenagers>

Awarding bodies will also likely provide information for students about results. Chase High School will signpost you to any relevant information at results time.

If you have a concern about a grade you have been awarded, you can ask the Examination Officer Mrs Ballard [Deborah.ballard@chasehigh.org](mailto:Deborah.ballard@chasehigh.org) to:

- check whether an error was made when submitting your centre assessment grade and rank order to the awarding body
- raise a complaint with the headteacher [andrew.james@chasehigh.org](mailto:andrew.james@chasehigh.org) if you feel you have evidence of bias or that you were discriminated against; you could also pass such evidence on to the awarding body who could investigate for potential malpractice
- seek any information the awarding body holds in relation to how your final grade was calculated

- provide information about the opportunity to take an exam in the autumn series or in summer 2021

### **Arrangements for appeals**

The arrangements for awarding qualifications in summer 2020 state:

Candidates can appeal their grades through their centre if they feel the process this summer was not followed correctly in their case.

A candidate can:

- ask their centre to appeal on their behalf to an awarding body if there is evidence that leads a candidate to believe:
  - the centre made an error when submitting a centre assessment grade or rank order information
  - an awarding body made a mistake when calculating, assigning or communicating a grade
- appeal against the centre's decision
  - not to seek any information the awarding body holds that would be needed for an appeal; and/or
  - not to appeal to the awarding body

A candidate cannot:

- appeal against their centre assessment grades and position in the rank order
- appeal in respect of the process or procedure used by Chase High School in calculating their centre assessment grades and position in the rank order
- appeal directly in any respect to the awarding body

### **Certificates**

Certificates, when received from the awarding body, will be issued to candidates by post.

## **Internal appeals procedure**

Chase High School will:

- inform candidates of the arrangements for appeals prior to the issue of results and the accessibility of senior members of centre staff immediately after the publication of results by issuing this *Information for candidates – Results, Appeals and Certificates* notice/document
- appeal to an awarding body on a candidate's behalf if it believes the centre itself made an error when submitting a centre assessment grade or rank order information or if it believes an awarding body made a mistake when calculating, assigning or communicating a grade
- ask the candidate to provide written informed consent (informed consent via candidate email is acceptable) before an appeal is submitted to the awarding body as the appeal could result in the final grade being lower than, higher than, or the same as the grade which was originally awarded
- only collect consent after the publication of results.
- where relevant, advise an affected candidate to inform any third party (such as a university or college) that an appeal has been submitted to an awarding body

Chase High School will not:

- seek any information the awarding body holds that would be needed for an appeal if it does not believe an awarding body made a mistake when calculating, assigning or communicating a grade
- appeal to an awarding body on a candidate's behalf if it does not believe the centre itself made an error when submitting a centre assessment grade or rank order information or if it does not believe an awarding body made a mistake when calculating, assigning or communicating a grade

An internal appeal may be submitted to the centre where a candidate (or his/her parent/carer) believes there are grounds to appeal against the centre's decision:

- not to seek any information the awarding body holds that would be needed for an appeal
- not to appeal to the awarding body

An internal appeal should be submitted by:

- submitting a completed copy of the Internal Appeals Form to Mrs Ballard by Friday 4<sup>th</sup> September 2020.

The candidate will be informed of the outcome of the internal appeal within 5 working days (not including the holiday period).

If the internal appeal is upheld by the centre:

- the centre will request information the awarding body holds that would be needed for an appeal within the time period set by the awarding body
- the centre will submit an appeal on the candidate's behalf to meet the awarding body's deadline for appeals
